

Let your
ideas
shape the future.

With preliminary sales of €40.5 billion in 2016, Continental is among the leading automotive suppliers worldwide and currently employs more than 220,000 employees in 56 countries. The Tire Division currently has 24 production and development locations worldwide. While the Continental premium tire brand is clearly focused on leading safety performance, the broad brand portfolio and product range offer solutions for most of the market segments. Continuous investments in R&D make a major contribution to cost-effective and ecologically efficient mobility.
