

JOB DESCRIPTION

JOB TITLE: PROJECT IMPLEMENTATION MANAGER

JOB LOCATION: Košice, Slovakia

JOB DESCRIPTION:

Kicking off your career in IT? Why don't you start right from the managerial position! NATEK currently serves biggest clients in the CEE and although we are big in the region, we still follow family values within the company. Appreciating our employees' loyalty and dedication is what matters most. We provide courses and trainings within the international environment of IT experts on a daily basis. We reward people that stick with us for years with various gifts and benefits. And not to forget, our bunch of talented young staff enjoy themselves at work and after with variety of team building activities. That is all happening in the famous Eco Point, a tech building in Kosice that is already called a 'Silicon Valley' of Slovakia!

Within this role that is being offered, you will be able to join our Disconnect Team. The Disconnect team is responsible for processing of disconnect orders in all Geographies working time (8:30am - 5pm and US: 1:30pm - 10pm). As a PIM you will be part of a virtual team and manage the disconnection of network services for our customers worldwide.

Responsibilities:

Based in Kosice you will be cooperating closely with customer account teams, international specialists within our client, customers and suppliers. A variety of trainings is available from NATEK mentors at this position.

Requirements:

- Fluent English language communication skills (written and spoken)
- Being able to work in a multicultural, multinational environment
- Ability to work to tight deadlines while maintaining output quality
- Problem solving, able to work under pressure with perfect time management
- Self-motivated, proactive and willing to take ownership and responsibility
- Committed to meeting deadlines and task focused
- Excellent communication skills and interested in communicating with internal and external partners

Other benefits:

- Support to your professional career growth by matching your skills and plans with the suitable projects
- Attractive salary and bonuses referring to your skills and experience
- Private health care
- Team building events
- Healthy Wednesdays
- Sport bonus 90 Eur per quarter
- Flexible working hours
- NATEK Management Academy - you'll have a chance to learn how to become a team leader, manager, etc.
- Attractive workplace in most Eco building in Slovakia

COMPANY DESCRIPTION:

NATEK is a leading provider of IT Outsourcing and Consulting Services in CEE (Central and Eastern Europe). Established in 2004 in Czech Republic, NATEK has created a global organization in Central Europe in order to develop long-term partnerships with prestigious international companies by providing complete range of services as professional services, Near shoring and platform service delivery.

With currently more than 400 employees, NATEK delivers service in following countries: Bulgaria, Czech Republic, Poland, Romania and Slovakia.
